Dear Parents,

Happy Friday! With our second week of school completed, it is good to take a moment and thank God for the continued health of our school community. Our students and our staff are settling in, and the familiarity of routine is good for everyone as this school year continues. Your children are doing a remarkable job adjusting to all the changes that this year has brought, and we are so proud of them and their positive attitudes. They are a beautiful example of how we are all better people when we “belong to one another.”

This week, our school community was able to attend Mass this week in two different groups. Next week, we will begin alternating weeks that our students will attend Mass; grades 5-8 will attend Mass on in the classroom on the weeks they are not attending Mass. This schedule will continue until it is determined that it is safe to attend Mass as a whole school community.

Thank you for your patience as we continue to practice our end of the day pick up routines. As we mentioned last week, please pull up in the line as far as you can to allow for other cars to pull in. At the grades 1-5 pick up line, you can pull up as far as the windows by Hamilton Hall, and at the Junior High side, you can pull up as far as the flagpole. For the safety of everyone, please do not park and have your child walk across the pickup line. We also ask that you not pull to the left of the pickup line to exit quicker. Everyone is moving as quickly as they can. Thank you in advance for being a good example to your children.
