Principal’s Message

*Last week we sent home the **Student Low Income Form (on bright yellow paper)**. *

We are still missing forms from some of our families. If you returned your form – THANK YOU. If you have not, please **fill out this form and return it to school by September 11.** This information is vital to ensure our continued participation in various Federal and State programs and directly affects your children, our teachers and school. THANK YOU!

- Due to the Set-Up for the Festival - the **front drive & circle off the Montgomery Rd. Entrance will be CLOSED starting Tuesday, September 10th!** Please be aware that **ALL drop offs and pick-ups from the 10th – 13th will have to be in the rear/playground parking lot.** **If your child arrives late to school or if your child needs to leave early any of those days, you will need to enter thru Kenwood Rd, park, walk to the center double glass doors (on the playground) and call the school office at 791-6320 X100 for someone to meet you to either sign your child in or out.** A note will be coming home today to all Extended Day Students giving them more explicit details on how they are to drop off and pick up their children from before and after school care.

Tracking student performance, accessing conferences & more:

St. Vincent Ferrer uses an online system for assignments and grade reporting, to distribute information, and schedule parent teacher conferences: **OptionC**. It is the **primary means** of communicating information about your child's academic performance. Each student and parent/guardian have an account in the system.

Information Update: We try to keep your information (address, email, etc.) synchronized between all our communication tools, but occasionally information slips by us. Please take an opportunity between now and **Sept. 30** to login to OptionC and **check/correct profile information** for your family.

Forgot OptionC Password? If you still know your username and your email address hasn't changed, try a password reset. If you no longer know your username or your email address has changed, contact Amy Myer (myer_a@svf-school.org).

New to SVF? If you attended the Meet the Teacher night you should have received a paper that contains the information needed to access your parent account in OptionC. If you did not attend the Meet the Teacher night or you haven't taken the opportunity to login, your account credentials will be mailed to you within the next week. Please access the system at your earliest convenience and discover its features.

NEW! This fall Option C plans to release a **phone app** designed for mobile viewing. Look for more information about this coming in the near future.
