****Please see our updated website for all things school cafeteria related! www.sansvs.com**

- **Lunch Accounts:** From the “Manage Your Account” link on the website www.sansvs.com you will be able to access your student’s account balance and purchases; all you need is the child’s pin number (this is obtained from their school) to set up their PaySchools Central account. When registering for the account, all schools select “**St Albert the Great – Dayton**”. There is no charge to view your student’s balance; however, there will be a small fee for making a credit card payment on the website. You can add funds through the website, or you can make a payment by sending cash or check, before lunch, to your school cafeteria. Money cannot be accepted during the lunch line. Please put payments in separate envelopes with your child’s name and pin number.

- **Negative Balance:** When students have no money or not enough money for lunch or breakfast, they will be permitted up to two meals in a negative balance. After that point, the student will receive a PB&J or cheese sandwich and will be charged \$1.50 when the lunch account is replenished.

Note: during the last four weeks of school, students will not be permitted to incur a negative balance

- **Free and reduced meal applications:** Families that qualify can receive free or reduced-price meals, and ALL families are encouraged to apply. The application and instructions are on our website at www.sansvs.com. For the quickest response, please email applications to applications@stalbertnutritionservice.com. Applications must be completed every school year and must be submitted no later than September 15, 2024 for the 2024/2025 school year. Additionally, transfer students will need to apply, even if they had an approved application at their last school.
